Dear Parents/Guardians/Students

**Advice has been issued to Schools and Teachers that the Senior Cycle for current 6<sup>th</sup> years has concluded.**

Teachers have now been asked to cease tuition with 6<sup>th</sup> year students . Access to Guidance will still be available through Ms Moore if required.

It is important to understand that you have done all that you can in relation to your Leaving Cert and that multiple avenues remain open to you within the process guidelines.

At this point the task of assessment will begin shortly. It is important to note that the school must adhere to the procedures as directed by the department of education. We expect detailed guidelines and documentation to be issued shortly. We plan to have an assembly with 6<sup>th</sup> year students when we have clarification of the exact process involved.

**Please understand that a Student or Parents on behalf of a student must not make contact with the school with cause to influence grading. It is essential in order to uphold equity and fairness in order to enable all candidates to be assessed on an equal footing. The school is duty bound to report any such instances to the State Examinations Commission.**

Kind regards and stay safe
