Dear Parents/ Guardians/Students

2022 has again been a year that we all will remember. Thankfully we were able for the most part move away from Covid restrictions. Unfortunately, it has not taken long for other issues to take Covid's place, with war in Ukraine, soaring energy and living costs and nationwide teacher shortages in Education.

I would like to take this opportunity to thank parents, students, teachers and everyone in St Augustine's College who have been so supportive, cooperative and understanding this year. It is heartening to see the whole school community working together, with our students at the centre of all that we do. We could not do it without your support.

If you have lost a family member or someone close over the last year I wish and pray that loving memories bring you peace, comfort and strength over Christmas.

Many of you also will have been blessed with new additions to your family. I wish you all the joy that family current and new can bring.

On behalf of us all here in the school, the Board of Management, the Augustinian Schools Trust and the Augustinian Community I wish you all a happy, safe and blessed Christmas.

“Christmas is most truly Christmas when we celebrate it by giving the light of love to those who need it”

With warmest wishes for the year ahead

Michael O' Sullivan
