Dear Parents /Guardians/Students

We are delighted to be welcoming all students back to school this Monday the 12th of April.

We are very much looking forward to seeing you all again.

This is going to be a demanding and challenging time for everyone. It is critical that we all play our part in the safe return to school so as to ensure that the school can remain open for everyone.

We will be issuing updates daily until our return on the 12th and it is important that you read all guidelines for safe return to school as they are issued.

These guidelines are based on HSE advice which must be followed.

Please note that the return to school form will be available on the school APP and **must be filled out for all students (by Parent/Guardian) and teachers prior to the return to school.** The link to the Form is [here](#) if you do not have the app.

******The return to school/work form must be completed by everyone within 48hrs prior to return to school .This must be completed even if already signed for a previous return.******

The window to sign on the app will be from 9am on Sat10th of April until 6pm on Sun11th of April

We thank you all in advance for your cooperation. By working together in the spirit of our school value of *Unitas*, we will get through this and by doing so will make the return to school safe for all. Below are link to all DES information on return to school.
