

On World Theatre Day the Gaiety School of Acting is announcing a unique opportunity for Leaving Cert English students to familiarise themselves with the 2020 Shakespearean text, as we live stream the 2019 Shakespeare in Schools Production of Hamlet, directed by Joe Dowling for the first time.

On Shakespeare's Birthday Thursday 23rd April at 2pm GMT we invite Leaving Cert students countrywide to join in a Youtube Watch Party of Hamlet. Every year the GSA tours to Athlone, Cork and Dublin with their professional production of the Leaving Cert prescribed Shakespeare text, and under the extreme circumstances currently faced by school students, we have decided to make the video of this production available for all students for a limited time only. We would love to see students and teachers engaging with the show also, so invite you all to ask questions and give feedback throughout the show either via the Youtube comments or on Instagram, Facebook, Twitter and Snapchat using the hashtag [#HamletWatchParty](#)

Hope you all stay safe and well and look forward to hearing from you so
