Dear Parent/Guardian

**Important information regarding DARE 2023.**

6th year students applying for DARE on CAO 2023 have been issued their CAO DARE Section B filled out by the team in school which comprises of; the guidance counsellor/s, Sen team, relevant subject teachers and the school principal. Please be aware it is the students responsibility to inform the school team if they require CAO DARE section b documentation filled out. All students applying to DARE must inform the school guidance counsellor/s by February 8th 2023 to allow sufficient time for forms to be filled. Unfortunately, after this date we will not be in a position to guarantee we can fill out DARE forms by the deadline.

It is vital the student/applicant posts all relevant supporting information forms/documents/reports to CAO before the CAO deadline March 15th. It is the sole responsibility of the student/applicant to do this. The school does not take responsibility to post CAO documents on behalf of the applicant.

**DARE Section A:** must be completed online by the applicant by **March 1st 2023**. The majority of students had this completed by February 1st. However please double check this over midterm break with you son/daughter when the pre-leaving examinations are completed.

**DARE Section B:** returned to applicant on February 8th. Deadline to post to CAO is **March 15th 2023. Student/Applicant must post documents.**

**DARE Section C:** Each student/applicant is applying with varying circumstances and needs so please ensure all relevant supporting documentation is posted to CAO before **March 15th 2023. Student/Applicant must post documents.**

**Next step.** It is important that the student/applicant keeps an eye on their email for correspondence from CAO so important deadlines are not missed and/or further information requested not missed. .

If there is anything we can assist you with, please do not hesitate to contact a member of the team.
