

20th January 2022.

Dear Parents/Guardians,

On behalf of the entire team at St. Augustine's College, I wish to thank all parents/guardians of 1st and 2nd Year students that attended the virtual parent/guardian-teacher meeting yesterday in such huge numbers. I appreciate you taking the time to meet with subject teachers to discuss your child's academic progress, behaviour and attendance so far this year. I also want to thank you for being patient when there were some intermittent technological issues. This is a new venture for us in school and we value and appreciate your patience, commitment and working with us.

I hope that your first virtual parent/guardian -teacher meeting was of some benefit and provided you with some valuable insight into your child's progress in school. If you missed an appointment or could not attend please refer to E-Portal to obtain your Childs Christmas Results.

Thank you for taking the time and effort to attend zoom meetings with subject teachers to support your child's progress as a student in St. Augustine's College. Your continued partnership, support and engagement with the school as parents/guardians will ensure your son/daughter continues to learn, progress and reach their potential.

We would love some feedback on your experience of our first virtual parent/guardian -teacher meeting. The survey will only take a few moments. <https://www.menti.com/7gdggtpozy>
