**Parents Association**

7/09/2022

Dear Parents

On behalf of the Parents Association of St Augustine's College I am writing to discuss our programme for the new school year. We will shortly send out details of our AGM. We would like to take this opportunity to thank all involved in the Parents Association. We would also welcome any new members. This is a very special year as we are celebrating 50 years as a secondary school in Abbeyside. It is important that we are represented and that we support the good work being done in the school. We have always had very positive relationship with the management of St Augustine's College and the commitment is not too demanding.

We are looking for nominees for the schools Board of Management for the next three year term. The Board of Management is comprised of four trustee nominees, two teacher representatives and two parent representatives. We would like to thank the current BOM parent's representatives who have served on The BOM for the last three years. If there are more than two nominees, then a ballot needs to be carried out. Any nominees must have the prior permission of the person being nominated and be a current parent of a student in the school. Proposer and seconder must also be parents of children in the school.

Nominations should be sent to [principal@staugustines.ie](mailto:principal@staugustines.ie) in the following format by Wed 21<sup>st</sup> of September 2022.
